Terms and Conditions

Program: First Montana Bank offers their customers mobile access to their account information (e.g., for checking balances and last transactions) over SMS, as well as the option to set up alerts for their accounts (e.g., low balance alerts). Enrollment requires identification of the user's banking relationship as well as providing a mobile phone number. The mobile phone number's verification is done by the user receiving an SMS message with a verification code which they will have to enter on the website. Additionally, customers may select the type of alerts and other preferences which will determine, together with their account data, the frequency of alerts delivered to the customer. This program will be ongoing. Message & Data rates may apply. Customers will be allowed to opt out of this program at any time. **Questions:** You can contact us at 800-824-2692, or send a text message with the word "HELP" to this number: 99588. We can answer any questions you have about the program.

To stop the program: To stop the messages from coming to your phone, you can opt out of the program via SMS. Just send a text that says "STOP" to this number: 99588. You'll receive a one-time opt-out confirmation text message. After that, you will not receive any future messages.

This Mobile Check Deposit User Agreement (“Agreement”) contains the terms and conditions for the use of First Montana Bank Mobile Check Deposit and/or other remote deposit capture services that FMB or its affiliates may provide to you. Other agreements you have entered into with FMB, including the Deposit Account Agreement, as applicable to your FMB account(s), are incorporated by reference and made a part of this Agreement.

1. **Services.** The mobile remote deposit capture services (“Services”) are designed to allow you to make deposits to your checking, savings, or money market savings accounts from your camera-enabled mobile device capable of capturing Check images and information and delivering the items and associated deposit information to FMB or FMB’s designated processor. The device must capture an image of the front and back of each Check to be deposited in accordance with the Procedures; must read and capture the magnetic ink character recognition (“MICR”) line on each Check; and must read and capture all such other data and information as is required by this Agreement or Federal Reserve regulations for the processing of these Checks for payment. There is currently no charge for the Service.
2. **Acceptance of these Terms.** Your use of the Services constitutes your acceptance of this Agreement. This Agreement is subject to change from time to time. We will notify you of any material change via e-mail, text message, or on our website by providing a link to the revised Agreement and such change shall be effective thirty (30) days following our provision of such notice. Your continued use of the Service will indicate your acceptance of any such changes to the Services. In the event that an immediate change is needed to ensure the security of the Service, we will post a notice of any such change on our website. You may choose to accept or decline such changes by continuing or discontinuing the Service.
3. **Limitations of Service.** When using the Services, you may experience technical or other difficulties. We will not be responsible for any technical or other difficulties or any resulting damages that you may incur. Some of the Service has qualification requirements, and we reserve the right to change the qualifications at any time without prior notice. We reserve the right to change, suspend or discontinue the Services, in whole or in part, or your use of the Service, in whole or in part, immediately and at any time without prior notice to you.

4. Eligible Items. You agree to scan and deposit only Checks as that term is defined in Federal Reserve Regulation CC (“Reg CC”). You agree that the image of the Check transmitted to FMB (each such Check a “Check” and, if more than one, “Checks”) shall be deemed an “item” within the meaning of Article 4 of the Uniform Commercial Code as adopted in Montana (such scanned Check image transmitted to FMB for credit to your account, a “Remote Item”). - a. Are payable to any person or entity other than you;
- b. Are payable jointly, unless deposited into an account in the name of all payees;

The image quality of the items must comply with the requirements established from time to time by the American National Standards Institute (“ANSI”), the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearing house or association. These requirements include, but are not limited to, ensuring the following information can clearly be read and understood by sight review of the Check image: the amount of the Check (both written and numeric); the payee; the signature of the drawer (maker); the date; the Check number; the information identifying the drawer and the paying financial institution that is preprinted on the Check including the MICR line and all other information placed on the Check prior to the time of an image the Check is captured (such as any required identification written on the front of the Check and any endorsements applied to the back of the Check).

We are not responsible for items we do not receive or for images that are dropped during transmission. An image of an item shall be deemed received when you receive a confirmation from FMB that we have received the image. Receipt of such confirmation does not mean the transmission was error free or complete. Following receipt of such confirmation, FMB will process the image by preparing a “substitute Check” or clearing the item as an image.

8. Availability of Funds. You agree that items transmitted through the Services are not subject to the funds availability requirements of Federal Reserve Board Regulation CC. Funds deposited using the Services will be available after FMB receives final payment for the funds submitted. FMB may, but is not required to, make such funds available sooner based on such factors as credit worthiness, the length and extent of your relationship with us, transaction and experience information, and other such factors as FMB, in its sole discretion, deems relevant.

9. Disposal and retention of item. Retain the physical Check that was deposited in a secure location until the deposit has posted to your account (allow at least 5 days), then shred the Check.

10. Deposit Limits. Limits on deposits are \$1,000.00 maximum per single item deposit and \$3,000.00 maximum per day. We reserve the right to impose limits on the amount(s) and/or number of deposits that you transmit using the Service and to modify such limits from time to time.

11. Contingency Plan. In the event you are unable to capture, balance, process, produce or transmit a file to FMB, or otherwise comply with the terms or the Procedures for any reason, including but not limited to, communications, equipment or software outages, interruptions or failures, you will transport or mail the originals of all Checks to the closest FMB location. The deposit of original Checks at an office of FMB shall be governed by the terms and conditions of the Deposit Account Agreement and not by the terms of this Agreement.

12. Errors. You agree to notify FMB of any suspected errors regarding items deposited through the Services right away, and in no event later than sixty (60) days after the applicable FMB account statement is sent. Unless you notify FMB within sixty (60) days, such statement regarding all deposits made through the Services shall be deemed correct, and you are prohibited from bringing a claim against FMB for such alleged error.

13. Presentment. The manner in which the items are cleared, presented for payment and collected shall be in FMB’s sole discretion subject to the Depository Agreement and Disclosures governing your account.

14. Ownership and License. Your use of the Services is subject to and conditioned upon your complete compliance with this Agreement. Without limiting the effect of the foregoing, any breach of this Agreement immediately terminates your right to use the Services. Without limiting the restriction of the foregoing, you may not use the Services (i) in any anti-competitive manner, (ii) for any purpose which would be contrary to FMB’s business interest, or (iii) to FMB’s actual or potential economic

disadvantage in any aspect. You may use the Services only for non-business, personal use in accordance with this Agreement. You may not copy, reproduce, distribute or create derivative works from the content and agree not to reverse engineer or reverse compile any of the technology used to provide the Services.

Alerts Terms and Conditions

The following Alerts terms and conditions ("Alerts Terms of Use") only apply to the Alerts feature (as defined below). If Alerts are not available to you, then this Alerts Terms of Use does not apply. To the extent there is any conflict between the terms of the Agreement and this Alerts Terms of Use with respect to Alerts, then the terms in this Alerts Terms of Use shall apply.

Alerts. Your enrollment in First Montana Bank Online Banking and/or Mobile Banking (the "Service") includes enrollment to receive transaction alerts and notifications ("Alerts"). Alerts are electronic notices from us that contain transactional information about your First Montana Bank account(s). Alerts are provided within the following categories

Mandatory Alerts provide you with important account notifications, such as information about changes to your Online Banking password, PIN, or login information. You do not have the option to suppress these Mandatory Alerts.

Account Alerts provide you with notification of important account activities or when certain changes are made to your Service accounts. These Alerts are automatically activated for you. Although you may suppress these Account Alerts, we strongly recommend that you do not do so because they provide important information related to your Service accounts.

Additional Alerts must be activated by you to be enabled. These Additional Alerts can be accessed from the more menus within First Montana Bank Mobile Banking.

Account Alerts and Additional Alerts must be managed and/or added online through the Service. You cannot maintain all Alerts through your mobile device. We may add new Alerts from time to time, or cancel old Alerts. We usually notify you when we cancel Alerts, but are not obligated to do so. First Montana Bank reserves the right to terminate its Alerts service at any time without prior notice to you.

Methods of Delivery. We may provide Alerts through one or more channels (“EndPoints”): (a) a mobile device, by text message; (b) a mobile device, by push notification; (c) an email account, by an e-mail message; or (d) your First Montana Bank Online Banking message in-box, by an e-mail message. You agree to receive Alerts through these EndPoints, and it is your responsibility to determine that each of the service providers for the EndPoints described in (a) through (c) above supports the email, push notification, and text message Alerts provided through the Alerts service. Please be advised that text or data charges or rates may be imposed by your EndPoint service provider. Alert frequency varies by account and preferences. You agree to provide us a valid mobile phone number or email address so that we may send you Alerts. If your email address or your mobile device’s number changes, you are responsible for informing us of that change. Your Alerts will be updated to reflect the changes that you communicate to us with regard to your primary and secondary email addresses or mobile device number.

Alerts via Text Message. To stop Alerts via text message, text "STOP" to 99588 at any time. Alerts sent to your primary email address will be unaffected by this action. To restore Alerts on your mobile phone, just visit the Alerts tab in First Montana Bank Online Banking and click the box next to your mobile number for the Alerts you’d like to receive again. For help with SMS text alerts, text “HELP” to 99588. In case of questions please contact customer service at 1-800-824-2692. Our participating carriers include (but are not limited to) AT&T, SprintPCS, T-Mobile®, U.S. Cellular®, Verizon Wireless, Nextell.

Limitations. First Montana Bank provides Alerts as a convenience to you for information purposes only. An Alert does not constitute a bank record for the deposit or credit account to which it pertains. We strive to provide Alerts in a timely manner with accurate information. However, you acknowledge and agree that your receipt of any Alerts may be delayed or prevented by factor(s) affecting your mobile phone service provider, internet service provider(s) and other factors outside First Montana Bank’s control. We neither guarantee the delivery nor the accuracy of the contents of each Alert. You agree to not hold First Montana Bank, its directors, officers, employees, agents and service providers liable for losses or damages, including attorneys’ fees, that may arise, directly or indirectly, in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or

incomplete content in an Alert; or (c) your reliance on or use of the information provided in an Alert for any purpose.

Alert Information. As Alerts delivered via SMS, email and push notifications are not encrypted, we will never include your passcode or full account number. You acknowledge and agree that Alerts may not be encrypted and may include your name and some information about your accounts, and anyone with access to your Alerts will be able to view the contents of these messages.
